## THE COLLEGE CREST

The emblem, together with the motto 'Education for Total Liberation, is symbolic of the ideals the college stands for. The open book, the pen and receiving hands represent the reception and assimilation of knowledge which liberates the individual from the debilitating shackles of ignorance and incapacity. However, the growth and evolution of the individual through education is not seen as an end in itself. The training, both academic and extracurricular, seeks to foster in the students a keen awareness of their communities armed with the skills to contribute positively to change and reconstruction where required.

The symbols take a new dimension of meaning in connection with the Patron Saint of the College, Mother Mary, whose offering hands represent a complete surrender to the Eternal Wisdom. The tool for imparting wisdom, the pen, from another angle looks like a lighted candle that dispels the darkness of ignorance and it signifies that the learning one receives at the institution is not to be kept to oneself but to be disseminated in the community.

6

## THE AIMS AND OBJECTIVES

It is with the objective of meeting the higher educational needs of the youth of Wayanad that the Catholic Diocese of Mananthavady undertook the mission of establishing and managing Mary Matha Arts & Science College. As a Christian Institution, it endeavours to inculcate human values and social justice as envisaged by Jesus Christ. It considers education not just as a search for knowledge but as a great mission in which both the teachers and the students participate in the process of developing human resource for the benefit of the society and the nation.

The college seeks to instil in the students an awareness of their social rootedness and encourage them to be active participants in the construction of a just social order.

Though a minority institution, the college includes in its purview the educational aspirations of the community as a whole, irrespective of religion, caste and social status. The college tries to facilitate and encourage higher education among people who have been denied such opportunities because of social and economic backwardness. The college, situated in a tribal area, takes special care to provide opportunities and facilities to tribal students aspiring for higher studies. Thus the college seeks to foster equitable social development through the empowerment of individuals who can contribute to the common good.

## THE HISTORY OF THE COLLEGE

May Matha Arts & Science College, a college managed by the Catholic Diocese of Mananthavady, symbolises the realisation of the dreams and aspirations of the people of North Wayanad. It was sanctioned by the Government of Kerala on the recommendation of the University of Calicut in response to the demands of the people. His Excellency Rt. Rev. Dr. Jacob Thoomkuzhy, the then Bishop of Mananthavady, was kind enough to take upon himself the onerous task of establishing and managing this institution. The college was formally inaugurated on 23rd October 1995 with three degree courses, in Functional English, Zoology and Mathematics. When Kannur University came into existence in 1996, the college became affiliated to it.

His Excellency Rt. Rev. Dr. Emmanuel Pothanamuzhy was consecrated as the Bishop of the Diocese, in 1997. As the founder Principal of Christ College, Bangalore, he had long years of experience as a teacher and administrator. His vision and commitment to academic excellence were guiding beacons in our institution's efforts to achieve its social and educational goals. His Excellency passed away in 2003 and subsequently His Excellency Rt. Rev. Dr. Jose Porunnedom became the Patron. The College is heading for accelerated growth and expansion under his benevolent leadership.

Dr. K. T. Varkey was the founder Principal of the college from 1995 to 2002. Rev. Fr. Dr. James Maruthukunnel (CMI), former Principal, St. Joseph's College, Devagiri, Kozhikode, was the Principal during 2002-06. Dr. Raju George became Principal on 1st April 2006. He served the college till March 2014. After his retirement, Dr. Saban K. V., Associate Professor of Physics, SB College, Changanassery, assumed the office of the Principal on 12<sup>th</sup> August 2014. He demitted the position on 10 June 2015 to take up another assignment

Rev. Msgr Joseph Kaniamattam was the founder Manager of the college. Rev. Msgr George Njaralakkatt, former Vicar General of the Diocese of Mananthavady, was the Manager of the College during 1997-2006. Rev. Fr. Jose Kocharackal, Syncoellus of the Diocese of Mananthavady, was the Manager till 13th May 2008. Rev. Fr. Robin Vadakkuncheril succeeded as Manager till 13 May 2011. Rev. Msgr Dr. Mathew Maddappalikkunnel, the Vicar General of the Diocese was the Manager during 2011-12. Rev. Fr. Chandu Punakkattu assumed the office of the Manager on 19th May 2012.

The Decennial Celebration of the founding of the college was held in 2005-06 with several innovative initiatives in the academic programmes and in the extending of the infrastructure. In 2006, National Assessment and Accreditation Council (NAAC), awarded B++ Grade (83.5%) to the college and later, in 2013, the college was reaccredited with A Grade by NAAC.

The college offers seven Degree Courses, two PG Courses and Doctoral Programmes in Mathematics and Zoology. The Research Centre in English is awaiting University approval. An Internal Quality Assurance Cell (IQAC) has been set up to sustain and enhance the quality of education in the post-accreditation stage. The faculty members have undertaken 26 Minor Research Projects with financial assistance from the UGC and two Major Research Projects sponsored by the Department of Science and Technology, Govt of India and the Kerala State Council for Science, Technology and Environment (KSCSTE).

The Vicennial Celebration of the college was held in January, 2014. The IGNOU (Indira Gandhi National Open University) centre was formally inaugurated by Dr. K. Paneer Selvan on 11 June 2015 to further enhance the educational opportunities of the people of the area, especially those who are unable to utilize the benefits of the formal system.
