  - At the Department Level, the prescribed Curriculum is discussed in detail by the HODs.
  - It is the responsibility of the individual teachers to see that the Curriculum is implemented effectively in the classroom.
  - Periodic Monitoring and Evaluation is done at the Department Level.
  - The Institution gets feedback from the stakeholders every year regarding curriculum and relevant suggestions are intimated to the Bodies concerned.

#### 6.3.2 Teaching and Learning

Specific strategies of teaching and learning are formulated both at the College level and Department level. The College Council designs the Academic Calendar with the assistance of all the stakeholders and gives general guidelines. The Management, by providing state of art infrastructural facilities, supports the teaching and learning process of the College.

##### **College level**

- Monitoring the Diary of Academic Work.
- Monitoring ICT enabled teaching and the facilities in the Library, NRC, Digital/Smart Classrooms, Audiovisual Hall and Language Lab.
  - Conducting Certificate Courses and Career-oriented Programmes
  - Orientation and Induction programmes for the freshers.
  - Formal and Informal feedback on student performance to parents.
  - Monitoring government sponsored programmes like WWS, SSP, ASAP.
  - Effective Mentoring and Personal Counselling
  - Interactive Sessions /Workshops/Discussions with Experts/Academicians/Alumni
  - Coaching for Minority students

##### **Department level:**

- Bridge Course for first year UG students
- Identifying and Categorizing the newly admitted students into Advanced, Average and Slow Learners
- Peer-group Learning in which Advanced Learners are grouped with Slow Learners
- Remedial Classes to Slow Learners, and challenging assignments, encouragement for participating in competitions for Advanced Learners
- Experiential Learning through experiments, student projects, field trips, study tours, interaction with the tribal community, visit to national institutes, heritage centres etc.

### 6.3.3 Examination and Evaluation

- With the introduction of CBCSS by the University, we have a rigorous and transparent Internal Evaluation System in place. The various components in the system are: Periodic Test Papers, Assignments, Seminars and regularity in Attendance as envisaged in the Academic Calendar.
- The College maintains detailed record for such internal marks and sends the consolidated marks to the University for the Final Result Sheet Preparation by the University.
- The insights derived from the feedback of the stakeholders are made use of in designing the Annual Academic Plan of the forthcoming year. Career Guidance, Classroom Interaction, Group Discussion, Remedial Courses, Seminar Presentation & Project Work, Assignment, etc. are a few examples to cite.
- At the end of every academic year the Principal and the teaching faculty meet for an evaluation of the academic, co-curricular and extra-curricular activities of the year. Schedules for Teaching, Conduct of Examinations, Conduct of Seminars, Workshops, and other curricular, co-curricular and extra-curricular activities of the year are critically evaluated and each faculty presents before the community their suggestions for the betterment and plans for major academic and other Programmes for the next year.

### 6.3.4 Research and Development

#### IQAC and Research Advisory Committee:

- Ensures research promotion in the College so as to inculcate a research culture in the Campus.
- Encourages Departments to take initiative to establish Research Centres.
- Motivates teachers to take up Research Projects, to publish Research Papers and to obtain Research Degrees.
- Encourages teachers to organize Seminars/Workshops/Conferences etc. in each Department.
- Encourages teachers to attend Seminars/Workshops/Conferences etc. organized by other institutions.
- Provides supporting Infrastructure Facilities.

### 6.3.5 Library, ICT and physical infrastructure / instrumentation

The Library Advisory Committee effectively monitors the functioning of the library and new facilities are provided and the existing facilities are updated every year:

- Automation and updating of library software (KOHA) with fully computerised borrower facility.
- The Network Resource Centre provides ample opportunities for the academic community to explore resources like N-LIST and INFLIBNET.
- The faculty and researchers in the Institution utilize the Internet facilities for Green Open Access Publication and downloading Open Access Journals.
- Library provides open access facility to all students.

ICT enabled teaching is promoted to enhance teaching effectiveness, (a) by providing smart classrooms and corresponding facilities (b) by encouraging teachers to make use of these facilities.

- ICT enabled Classrooms
- Free Internet access in all Staff Rooms and Network Resource Centre through NMEICT scheme (National Mission on Education through Information and Communication Technology).
- Each department is provided with a NETBOOK and a Digital Camera.
- Collection of digital materials and videos.

### 6.3.6 Human Resource Management

The following are the quality improvement strategy of the Institution for human resource Management:

- Maintenance of operational autonomy, academic democracy and decentralized governance system in order to promote quality culture at every level.
- Inclusion of representatives from all stakeholder groups in the decision taking bodies
- Maintenance of participative working culture to ensure the empowerment of academic and administrative teams.
- Promoting the faculty to attend orientation/refresher Programmes, seminars, workshops, expert lectures etc.
- Providing opportunities for skill development to administrative staff
- Providing better infrastructure facilities and academic environment to retain the quality teachers

### 6.3.7 Faculty and Staff recruitment

The process of recruitment of Teaching and administrative is made strictly adhering to the rules and norms stipulated by the Kerala State Govt, Affiliating University and University Grants Commission. The College Management never compromises on quality of the Teaching and Administrative Staff, right from their appointment.

### 6.3.8 Industry Interaction / Collaboration

The College promotes Institute-Industry Interface through various programs like internships and visits to Institutes and Industries.

- Computer Science: Software Companies and Hardware Industries
- English: News Papers, Publishing Companies, Audio and Visual Media
- Mathematics: Software Companies
- Chemistry: Chemical Industries
- Commerce: Business Establishments/Small Scale Industries
- Zoology: Sericulture/Aquaculture/Apiculture and other Industries
- Physics: Electronic and Electrical Equipment Industries

The Entrepreneurial Club conducts programmes to develop entrepreneurial skills among the students.

### 6.3.9 Admission of Students

- The Admission Committee, constituted according to the rules and regulations laid down by the University, comprising of the Principal, Heads of all Major Departments and the Office Superintendent monitors the admission process.
- Admissions to all UG and PG Programmes are based strictly on merit; there is no Common Entrance Test for admissions.
- The norms and guidelines of the Government and the University, including reservation for socially backward and differently-abled persons are strictly followed.
- The minimum marks for admission is as prescribed by the University.
- For UG Courses, the eligibility criterion is a pass in Higher Secondary/equivalent examination. For PG Mathematics, 50% marks in B. Sc. Mathematics, for General Category and 45% for OBC and a pass for SC/ST.
- The admission process is fully automated.
- Merit Lists are displayed on the Notice Board sufficiently early.
- The applicants can verify the list and, discrepancy, if any is noticed, they are given a chance to get it rectified within a stipulated time as per University Norms.
- The Selection Criteria are also displayed on the Notice Board.

### 6.4 Welfare schemes for Teaching and non teaching staff

No	Welfare Schemes of the Govt.	% of the Staff Benefitted	
		Academic	Administrative
1	Provident Fund	100	100

For UG Programmes Yes  No

For PG Programmes Yes  No

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

The institution being an affiliated college under Kannur University cannot make any examination reform on its own. But suggestions made through the faculty members of our college in various university bodies are considered in the board meetings for examination reforms.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

The institution being an affiliated college under Kannur University does not have academic autonomy, but limited autonomy is given in:

- Designing certificate courses and add on courses
- Developing infrastructure facilities
- Formulating innovative teaching methods
- Admissions ( management quota)
- Consultancy and extension activities

6.11 Activities and support from the Alumni Association

### **Luminous Alumnus Circle**

1. The Association organizes Annual Alumni Meet on 26<sup>th</sup> December every year.
2. The resourceful alumni are invited to the Institution and share their valuable experience with the academic community so that the current trends are made known to both the students and teachers.
3. Financial assistance to poor students from the well settled alumni
4. Financial support to alumni for medical purposes
5. Utilises the possibilities of Social Network Sites to strengthen the activities of the alumni association.
6. Feedback from the alumni is better utilized in the planning and designing of infrastructure and Academic Master Plan.

### 6.12 Activities and support from the Parent – Teacher Association

- The Executive Committee of PTA plays a key role in policy making and its implementation.
- Class PTA meetings are held every year.
- Feedback collected is considered prior to designing the Academic Plan every year.

### 6.13 Development programmes for support staff

- The IQAC, right from its inception, has been taking initiatives in looking after the welfare of all the stakeholders of the College and ensuring sustenance and enhancement of quality in academic/administrative/co-curricular/extra-curricular activities of the Institution.
- IQAC takes initiatives to update the administrative capabilities of the support staff by organising training programmes in soft skills and computer skills.

### 6.14 Initiatives taken by the institution to make the campus eco-friendly

- Solar garden lamps are installed on the campus replacing the conventional bulbs.
- Energy Auditing of the institution has been conducted by IQAC in association with the Department of Physics.
- The conventional tungsten bulbs are completely replaced with CFL bulbs in the campus.
- The organic waste materials generated in the college are efficiently being converted into bio-gas.
- The energy demand of the college canteen is partially met from the biogas plant.
- Plastic wastes, if any, are effectively disposed off with the assistance of nearby recycling units.
- Taking the conservation of water a serious concern, the institution constructed a 20 x 15 x 4 metres pond in the campus to recharge groundwater and to meet the diverse water demands of the institution.
- A number of trenches (3x1x1 mts) are constructed in the campus for groundwater recharge.
- The college has a green campus and it is maintained by NSS, Save Green Club and Bhoomitrasena.
- E-wastes in the college are usually sent to recyclers.

## **Criterion – VII**

### **7. Innovations and Best Practices**

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

The College Cooperative Society has sponsored the Book Bank facility to help economically weak students

Sewing machines distributed to tribal women at the Centre for Employment Training as part of the Arch Bishop Mar George Njaralakkatt endowment.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

The inauguration of the year long vicennial celebration was organised on the Academic Excellence Day in the presence of Hon. Minister for the Welfare of the Scheduled Tribes and Youth Affairs Ms P K Jayalakshmi.

***\*Provide the details in annexure (annexure need to be numbered as i, ii,iii)***

7.4 Contribution to environmental awareness / protection

- Awareness campaigning through various activities of NSS, Save Green Club and Bhoomitrasena .
- Sign boards carrying conservation messages at various places in the College.
- Screening of documentary films on energy conservation.
- Organizing Seminars/Workshops on Environmental Issues
- Carbon emission in the campus is negligible since the Campus is situated very close to Wayanad Wildlife Sanctuary.

7.5 Whether environmental audit was conducted?      Yes       No

7.6 Any other relevant information the institution wishes to add. (For example SWOT Analysis)

**Strengths**

- The Institution has a strong mission and vision, catering to the educational needs of Wayanad.
- The management and staff are committed to fulfilling the vision and mission, and are dedicated to excellence in teaching and learning.
- The College promotes strong mentor- student relationship which fosters ethos of openness and sharing.
- The state-of- the -art infrastructure and other facilities provide an inspiring atmosphere for the students to engage in curricular and co-curricular activities.

**Weaknesses/ Threats**

- Remoteness of the place curtails accessibility to industries and research institutes, and conveyance of visiting faculty and resource persons.

**Opportunities**

- Scope for new programmes in the degree and PG levels.
- Scope for interdisciplinary programmes, management and professional courses.

## **Criterion – VIII**

### **8. Plans of institution for next year**

We have been trying hard to comply with the recommendations of the NAAC Peer Team ever since the last visit. The plans we have drawn out for the next year are given below.

1. We will soon forward application for starting new courses to the University to obtain the recommendation of the University. We will be able to start the courses when we get them sanctioned by the government on recommendation of the University.
2. We are planning to take up more extension activities for the benefit of the underprivileged people of the local community.
3. We have plans to strengthen activities associated with Remedial Teaching, ASAP, Walk with a Scholar and Scholar Support Programme for better results.
4. We will soon start the construction work of the UGC assisted project, the construction of Staff Quarters and Guest House.
5. We have Plans to add about 2000 volumes of books and 5 Journals to the existing Central Library in addition to promoting the use of online library/ inflibnet use.
6. We will continue our effort to up the enrolment of the SC/ ST students and strengthen the support system to reduce drop-out rates.
7. We will collaborate with more external agencies to strengthen the student support and placement opportunities for the students.

### **Annexure III**

#### **BEST PRACTICE-I**

1. **Title of the Practice**

*“Implementation of the Parliamentary Mode of Students’ Union Election incorporating the Lyngdoh Commission Recommendation”*

## 2. Goal

- To ensure peaceful teaching-learning environment on the campus a democratic system of Parliamentary Mode of Students' Union Election has been introduced in the College since 2007 following the Lyngdoh Commission Recommendations.
- It also aims at maintaining discipline in the Institution by strengthening the head of the institution with sufficient powers so that students, who are keen to study and to improve their career are not be made victims of the anti-social activities a handful of students, whose dominant interest is indulging in party politics.
- Through the parliamentary mode of election the institution ensures peaceful, party-politics free campus.

## 3. The Context

- Several instances of election related violence against college teachers and students, and other malpractices have been observed during the conduct of elections on college campuses in Kerala.
- After having discussions and negotiations at various levels, the College Council took a strong decision to implement the Parliamentary Mode of Election on the campus, taking the students into confidence and following the Lyngdoh Committee recommendations.
- It has also been decided to set up a special Grievance Redressal Cell with senior faculty as members to address election related grievances on disputes regarding the fairness, eligibility of the candidate and/or the non-observance of norms while holding the elections, etc.

## 4. The Practice

- A male and female representative (Class Reps) each are elected from every class. The Chairman, General Secretary, University Union Councilor, Secretary to the Fine Arts Association, Student Editor to the College Magazine, General Captain to the Sports and Games activities, Secretaries to the Department Associations and Representatives of 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> year students are elected through Parliamentary Mode of Election. Two Seats, the Vice Chairperson and the Joint Secretary are reserved for girl students. It is to be highlighted that more than 50% of the candidates for the above major posts are girl students.
- The Class Representatives elected through this system function as a link between the College Union and individual Classes. Therefore, the decisions taken at higher levels are immediately conveyed to the entire students.
- The Institution entrusts the responsibility of the Students' Union Advisor to a Senior Faculty as in the older system. However, in the present system, the Advisor has more responsibilities. The Union Advisor serves as the Mentor of the Union office bearers and the Co-ordinator of the Union activities.
- Apart from the leadership role of the Chairman, Vice Chairperson, Secretary, Joint Secretary and Association Secretaries, the following portfolios are allocated in the College Students' Union to ensure student participation in all areas of student activities:

- Secretary to the Fine Arts Association: Responsible for promoting the artistic talents of the students, organizing fine arts activities on the campus and ensuring the participation of the students in intercollegiate competitions.
- General Captain for Sports and Games: Responsible for promoting the sports talents, organizing sports and games activities on the campus and ensuring the participation of the students in intercollegiate sports & games competitions.
- Magazine Editor: Responsible to compile the creative ideas of the College Community and publish the same in the form of a College Magazine. The Staff Editor and the Editorial Team support the Magazine Editor in publishing the College Magazine.
- University Union Councilor (UUC): Represents the College in the University Union and serves as a link between the College Students' Union and the University Union.

## 5. Evidence of Success

- This is the only aided College affiliated to Kannur University and one among the very few aided colleges in Kerala State that successfully implemented the Parliamentary Mode of Students' Union Election. It has been proved that this mode of election ensures a party-politics-free, violence-free Campus where academic, co- and extra-curricular activities can be planned and implemented/organized in a peaceful atmosphere and that too under the leadership of elected Student Union office bearers.
- The prevalence of Parliamentary Mode of Students' Union Election has been appreciated by the public in general and the parents in particular which is reflected in the enhanced rate of *applications for admission* received in the recent years.
- This Practice has become an accepted system in the College and the students who resisted in the initial stage realized the merits of the system and extended their co-operation in the succeeding years.
- As a recognition for the efforts in implementing the system, the academic community of the State, recently honoured the Principal of the College, Dr Raju George with the *Award of the Best College Principal in Kerala*, instituted by Dr Tharsis Joseph (NAAC Peer Team Member and former Secretary of the State Principals' Council) Foundation based on the initiatives taken to implement the Lyngdoh Commission Recommendations as per the Hon. Supreme Court directives to ensure peaceful teaching learning by maintaining the campus violence-free from the evil effects of party politics.

## 6. Problems Encountered and Resources Required

### **Problems Encountered :**

In the Paradigm Shift from the Conventional Presidential Mode of Election to the Parliamentary Mode, the Institution experienced certain amount of resistance from the Students and to a lesser extent from the politicians, especially on the following conditions:

- The candidates contesting the elections should possess certain minimum level of discipline and academic ability.

- No political activity to be allowed on the campus. Demonstrations, campaigning, and rioting in the classroom etc. will not be allowed. No meeting to be held in the campus without the permission of the Principal. Banners, posters, flags etc. of political organizations are not be allowed on campus as well as on the gates and compound walls of the campus.
- No outsider to be invited into the college by any group of students without the consent of the Principal.

**Resource Required:**

- In order to set a platform for the smooth implementation of the new system discussions/meetings/negotiations at various levels have been convened; sought the support of parents, general public and mass media.
  - Open forums to discuss and familiarize the Lyngdoh Commission Report have been organized in the College for students, parents, etc.
  - The excerpts of the report have been circulated among the College Community for discussions.
-

## **BEST PRACTICE-II**

### **1. Title of the Practice**

*‘PEN-R’ – Project on English Newspaper Reading*

### **2. Goal**

- To inculcate reading habit among the entire students of the college.
- Subscription to more than hundred English newspapers for the students aims at improving their reading skills, developing confidence in English communication, improving their general awareness, broadening their vision, improving their vocabulary, inspiring their thoughts and helping them to absorb all kinds of information.
- Though the primary objective of subscribing the ‘Business Line’ is to develop business orientation among the Commerce students, it helps them to improve their English language skills.

### **3. The Context**

- Majority of the students hailing from poor rural background and first generation learners of this Institution are the products of Malayalam Medium Schools.
- Eventhough they are better in their major subjects, their Communication Skill (both oral as well as written) in English Language is poor.
- The Institution realizes that English communication skills are essential for the overall development of students. The confidence level of students can also be improved by acquiring competency in English Language.
- This was the driving force in introducing the practice of subscribing English National Dailies, The New Indian Express and The Hindu for each batch of UG students of the College.

- The recommendations of the NAAC Peer team in 2005 to give maximum emphasis on developing the communication skills of students have been considered very seriously. This project is an effort to materialize the same.

#### **4. The Practice**

- The Institution started subscribing two copies of The New Indian Express to each class on an experimental basis in 2006 and the result obtained was amazing.
- This was literally the driving force to think of making English newspapers available to each student in their class room, free of cost.
- The number of newspapers available to the students has been raised to three in the next year. The development in the reading habit of students was discernible.
- In the next year, the Institution has contacted the authorities of The New Indian Express and The Hindu to provide newspaper at reduced rate.
- The New Indian Express has agreed to reduce the rate to Rs. Two per copy, provided the College should subscribe a minimum of fifty copies.
- When the Student Edition of the New Indian Express was launched in 2011, the regular newspaper being supplied to the students was replaced with this.
- The Hindu daily has also agreed to supply the newspapers on a subsidized rate.
- Since the Peer Group Learning is an accepted practice in the College, the Slow Learners and the Advanced Learners sit together to read newspapers to engage in news analysis etc.
- The Media Club of the Institution conducts news reading contest and Newspaper Quiz for the students every year.
- In order to put the objectives of the Project into practice, the Institution gives the following directions to the students:
  - Try to read at least one small article twice a day.
  - Do not try to read much, but try to make it a habit to read something every day.
  - Try to read without a dictionary and guess the meaning of the whole article, even if you do not understand some parts.
  - Choose articles that the student is interested in reading.
  - Read the same type of article every day at the beginning and gradually increase the amount that he/she reads.
  - After he/she can read that type of article well enough, try different types.
  - Try to memorize words or phrases, which appear many times.
- The Dept of English has been conducting a Certificate Course in Communicative English with UGC assistance since the academic year 2007-08. The Department has been organizing various Programmes and activities to help the students overcome difficulties with regard to the usage of English. All such efforts taken

by the Department of English supplement, to a great extent, to make the project a success.

## **5. Evidence of Success**

- Visible attitudinal change in the reading habits among the students
- Better results in the University examinations in the Common Course in English
- Improvement in the Presentation of Seminars by the students
- Improved classroom performance of students
- Active participation of students in participatory learning
- Results of *Campus Interviews for Placement* in the recent years.
- Increased number of readers of English magazines and subscribers of English books from the Central Library.

## **6. Problems Encountered and Resources Required**

### Problems Encountered:

- Majority of the newly admitted students do not have the habit of reading newspapers, even in their mother tongue, regularly.
- To bring back the students to the print media was a challenging task in the initial stage as their access to the mass media was limited to Television.
- Since the competency in English language is limited, the level of confidence of the students, especially the Poor Learners, was very low.

### Resources Required:

- In order to materialize the objectives of the project, discussions/meetings at various levels have been conducted/convened.
  - The possibilities of the Mentoring System have been utilized to the maximum extent to get the project materialized.
  - Open forums to discuss the significance of acquiring competency in the Global language have been organized.
  - The availability of the English National Dailies at concessional/cheaper rates has been explored.
-
