

Action Taken Report of AAA 2018-2022

- Documentation of activities in the college was digitized and standardized. Geo-tag photos of every programme were documented along with reports in digital formats.
- A common format for reports on various activities undertaken by departments and clubs was prepared by the IQAC.
- Seventeen skill-oriented and outcome-based certificate courses, such as snorkelling survey techniques, were initiated by various departments.
- Students and teachers registered for MOOC/SWAYAM courses; IQAC and Course Coordinators ensured follow-up on course completion.
- Outreach programs and extension activities, including cleaning programs, old age house visits, and mop buying and selling challenges, were organized by different departments and clubs.
- Campus recruitment programs were conducted by the Placement and Career Guidance Cell in collaboration with NIIT and ICICI Bank.
- Student Adalath was organized for students by the Grievance Redressal Committee.
- Students participated in internship programs offered by external agencies.
- The college purchased OBE mapping software and implemented it, organizing workshops and hands-on training.
- The library's interior was revamped for a more user-friendly environment.
- A new generation UG program was sanctioned by the government and launched.
- Non-teaching staff were assigned to prepare key indicators of AQARs and SSR for the accreditation process as part of effectively involving all stakeholders.
- Wi-Fi internet bandwidth was substantially enhanced to 300 Mbps on the campus.
- The college website was completely revamped with more dynamic pages, better features, and designs.
- An Incubation Club was launched to encourage student startups.
