History of the College

Mary Matha Arts & Science College, an institution run by the Catholic Diocese of Mananthavady, symbolises the realisation of the dreams and aspirations of the people of North Wayanad. It was sanctioned by the Government of Kerala on the recommendation of the University of Calicut in response to the demands of the people. His Excellency Rt Rev Dr Jacob Thoomkuzhy, the then Bishop of Mananthavady, took upon himself the onerous task of establishing and managing this institution, and he is our founder Patron. The college was formally inaugurated on 23rd October 1995 with three degree courses: Functional English, Zoology and Mathematics. When Kannur University came into existence in 1996, the college became affiliated to it.

His Excellency Rt Rev Dr Emmanuel Pothanamuzhy became the Patron of the college when he was consecrated as the Bishop of the Diocese in 1997. As the founder Principal of Christ College, Bangalore, he had long years of experience as a teacher and administrator. His vision and commitment to academic excellence were guiding beacons in our institution's efforts to achieve its social and educational goals. His Excellency passed away in 2003 and subsequently His Excellency Rt Rev Dr Jose Porunnedom became the Patron.

Dr K T Varkey was the founder Principal of the college from 1995 to 2002. Rev Fr Dr James Maruthukunnel (CMI), former Principal of St Joseph's College, Devagiri, Kozhikode was the next Principal, from 2002 to 2006. Dr Raju George took charge on 1st April 2006 and he served the college till March 2014. After his retirement, Dr Saban K V, Associate Professor of Physics, SB College, Changanassery, assumed the office of the Principal on 12th August 2014. He demitted the position on 10 June 2015 to take up another assignment. Then, Dr Savio James V, who served from the beginning of the college as the HoD of the Dept of English, assumed charge as the Principal.

College Crest

The emblem, together with the motto 'Education for Total Liberation, is symbolic of the ideals the college stands for. The open book, the pen and receiving hands represent the reception and assimilation of knowledge which liberates the individual from the debilitating shackles of ignorance and incapacity. However, the growth and evolution of the individual through education is not seen as an end in itself. The training, both academic and extracurricular, seeks to foster in the students a keen awareness of their communities armed with the skills to contribute positively to change and reconstruction where required.

The symbols take a new dimension of meaning in connection with the Patron Saint of the College, Mother Mary, whose offering hands represent a complete surrender to the Eternal Wisdom. The tool for imparting wisdom, the pen, from another angle looks like a lighted candle that dispels the darkness of ignorance and it signifies that the learning one receives at the institution is not to be kept to oneself but to be disseminated in the community.

Aims & Objectives

It is with the objective of meeting the higher educational needs of the youth of Wayanad that the Catholic Diocese of Mananthavady undertook the mission of establishing and managing Mary Matha Arts & Science College. As a Christian Institution, it endeavours to inculcate human values and social justice as envisaged by Jesus Christ. It considers education not just as a search for knowledge but as a great mission in which both the teachers and the students participate in the process of developing human resource for the benefit of the society and the nation.

The college seeks to instil in the students an awareness of their social rootedness and encourage them to be active participants in the construction of a just social order.

Though a minority institution, the college includes in its purview the educational aspirations of the community as a whole, irrespective of religion, caste and social status. The college tries to facilitate and encourage higher education among people who have been denied such opportunities because of social and economic backwardness. The college, situated in a tribal area, takes special care to provide opportunities and facilities to tribal students aspiring for higher studies. Thus the college seeks to foster equitable social development through the empowerment of individuals who can contribute to the common good.

India is my country. All Indians are my brothers and sisters. I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it. In their well being and prosperity alone lies my happiness.
