November-December 2017

The Department of Zoology in collaboration with Zoo Outreach Organization, Coimbatore, conducted a one day workshop on The Western Ghats Fresh Water Biodiversity Conservation Education. Dr. B.A. Daniel, Senior Scientist of Zoo Outreach Organization delivered the keynote address and led the workshop. In Kannur University Archery competitions, our men's team won the championship and the women's team became runners up. The college has also hosted Kannur University intercollegiate cricket matches. The college provided venue for the district level athletic meet organized by Sahodaya, the consortium of CBSE Schools. The end-semester university examinations have concluded and the college will close for Christmas holidays on 22 December 2017.
