

Mary Matha arts & science college

After the unprecedented floods and disruption of academic activities, the college reopened in the last week of August 2018. Despite the busy academic schedule, it was also necessary to carry on with the relief and rehabilitation work. As directed by the Government, a collection drive was held to raise fund for the Chief Minister's Distress Relief Fund. In addition, all our resources were diverted to the Flood Relief and Rehabilitation work started already by our NCC Cadets, NSS Volunteers and the AICUF Unit.

The Commanding Officer of the NCC, Colonel Eldy P Elias, visited the college to encourage and support the activities of the NCC cadets. He conducted a class on Disaster Management on the occasion. The College Union Election was conducted in the first week of September 2018. In the Kannur University Intercollegiate Table Tennis competitions, our Women's Team became the champions and the Men's Team became the Runners-up.
