

February-March 2019

The college has successfully completed the SSR work and quantitative assessment; entered the final phase of the third cycle of NAAC accreditation and is eagerly looking forward to the Peer Team visit which will take place by the end of March 2019. A few of our students won prizes in items like Gazal, Light Music and Kaavyakeli in the intercollegiate Fine Arts competitions held at Nehru College, Kanhangad. In the University level Judo competitions, our Men's team secured the second place in addition to the Bronze Medal in Wrestling.

The academic activities almost came to a close with the advent of End-semester University Examinations. The month of March is always characterized by examinations and farewells. This time around the college community is bidding adieu to the Principal, Dr Savio James V and Dr Sudha Devi A R of the Department of Zoology, two of the senior teachers of the college. The retiring teachers were given a warm farewell in a function in which our Patron, Mar Jose Porunnedom, gave the Benedictory Speech and Retirement Message.

In this connection, I would like to use this opportunity and space to express my sincere gratitude to the Management, Teaching & Non-teaching Staff, Support-staff, Parents, Students and Former Students for their cooperation and support that helped me discharge my duties both as a Teacher and the Principal. I would always cherish the memories of my association with all those who have been with me during my long stint at Mary Matha Arts & Science College, Mananthavady. I am sure the college will scale greater heights in the years to come and I wish everyone here all the best.

THANK YOU ALL & ADIEU

Dr Savio James V
Principal
