ACTION TAKEN REPORT ON THE FEEDBACK ANALYSIS (2021-22)

The feedback analysis from the stakeholders was presented to the college council. The analysis was reviewed and approved. The Council authorized the IQAC to finalise the action taken report on the feedback.

- Memorandums of Understanding (MoUs) and collaborative agreements were established at both the college and department levels to enhance opportunities for higher education and improve the employability of students.
- Trainings and internships within the departments were conducted to bridge the gap between theory and practice.
- Kannur University was notified about the need to make the syllabus more need-based, research-oriented, and skills-based.
- Books, journals, and online resources were procured for the library to address the shortage of reference materials.
