Education for total liberation

ACTION TAKEN REPORT ON THE FEEDBACK ANALYSIS (2022-23)

The analysis of feedback from students, faculty, alumni, and employers was presented to the college council and subsequently approved. The IQAC has been authorized to finalize the action taken report based on the feedback.

- Registrar, Kannur University and other academic bodies such as BoS and Faculties was intimated about making the syllabus more challenging, up to date and flexible. A big basket of elective course shall also be introduced with the next curriculum restructuring. The University shall also be informed of involving all the stakeholders such as faculty, students, parents, alumni in the curriculum revision
- Books, journals and online resources were made available at the library for meeting the requirement of reference materials.
- Industry experts especially the alumni of the college were invited to interact with the students so as to address the academia industry divide.
- To balance the gap between theory and application, departments introduced more problem-based learning activities.
- Multimedia equipment, LMS, group work and discussion were made use of to make the syllabus more engaging and interactive.
- Mapping of OBE was launched in the college to align the syllabus with Programme Outcomes (Pos), Programme Specific Outcomes (PSOs) and Course Outcomes (Cos).
- 10 hour Finishing School programme was initiated in the college to better prepare students for getting into higher education and jobs.
