

ACADEMIC AUDIT REPORT SESSION: 2017-18

DEPARTMENT PROFILE

- Name of Department: Zoology
- No. of full time permanent faculty: 3
- No. of Guest faculty: 1
- Name of courses offered: Core course for B Sc Zoology, Complementary course for Zoology (Biological Techniques), Open Course in Zoology for UG students
- No of students passed (B Sc): 22/38 = 57.89%
- No of Teachers awarded Ph.D: 1
- % of teachers with Ph.D : 100%
- No. of Workshops, seminars & Exhibition conducted : 3
- No. of Research Publications: 2
- No. of students went for Higher studies: 12
- No of students qualified NET: 2
- No. of students qualified JRF: 1

STRENGTH

- Dedicated and qualified faculty members
- Students with great potential
- ICT enabled Teaching
- Time bounded internal examination and evaluation
- Regular PTA meeting and timely feedback to parents
- One and only department offering B.Sc Zoology in Wayanad district.
- Relevant curriculum and syllabi
- Research lab & one research guide
- Academic plan and time table
- Good Parent-teacher relationship
- Yearly collection of feed back from students
- Remedial coaching for needy students
- Hourly Attendance of students
- Good relation with the Alumni
- Relation with Alumni through social medias like Face Book, Whats App etc.
- Effective Mentoring system
- Steps to change subsidiary subject

WEAKNESSES

- Lack of Botany as subsidiary subject
- Lack of PG Course .
- Students are first generation learners, coming from rural background and with lack of Communication skill and soft skill.
- Geographical isolation that constrains the access to experts and other institutional services.
- Accurate placement of students cannot be done.

RECOMMENDED ACTIONS

- Arrange programmes to develop the skills of students.
- regular conduct of remedial classes to improve the result
- Organize more Seminars/ Workshops
- Avail more projects from various funding agencies DST/UGC/KSCSTE.
- Publish more Research Papers in Reputed Journals.
