IQAC STUDENT SATISFACTION SURVEY REPORT 2020-2021

Feedback from all the students were collected during the year 2020-2021. Feedback forms were designed using Google Form which is a survey administration software from Google. The stakeholders were given a set of questions. For each question they were given five options to choose from, which are, below average, average, good, very good and excellent . Each of the options were later mapped onto a rating of five point scale. The highest rating of 5 is excellent, while the lowest rating 1 is below average. Questions on restrooms and hostel facilities were given only to female students.
